PETITION FOR CITY INCORPORATION **FILED**

PART V

MAY - 8 2008 08 I 1

OFFICE OF POLICY & LEGISLATIVE AFFAIRS
STATE BOUNDARY COMMISSION

We further represent that the incorporation proposed in this petition is necessary or desirable at this time for the following reason(s):

The Village of Sebewaing was incorporated by the legislature on March 13, 1879. It now encompasses 1.6 square miles with a population of 1,974. The Village is a part of Sebewaing Township located in Huron County on Saginaw Bay of Lake Huron. We, the Village to City Committee, believe that the following advantages to become a city include, but are not limited to the following:

For over 125 years, the people of the Village of Sebewaing have formed the nucleus of the community of Sebewaing. The Village of Sebewaing has planned, built, maintained, and constantly preserved the basic services vital to any community.

Briefly listed are the capital investments and services provided to Village residents:

Water -- Water mains and corresponding services which include iron removal as well as two elevated storage tanks. Water service is provided to the entire Village as well as various properties on the Village outskirts.

Sewer -- Sanitary sewer lines and corresponding maintenance. Sewer service is provided to the entire Village as well as various properties on the Village outskirts.

Electric -- Electric utility service is provided to the entire Village as well as various properties on the Village outskirts.

Streets -- 14.76 miles of paved streets. Full maintenance including snow removal. There are no unpaved streets within the Village. None of these services are provided by Sebewaing Township. Public Works -- 6400 square foot DPW garage with full fleet.

Police Protection -- Police station, vehicle fleet.

Rubbish Removal -- No capital outlay; contracted residential service with Richfield Equities.

Local Administration -- Clerk, Treasurer, Zoning Inspector, full-time Deputy Clerk, Utility billing.

Parks and Recreation -- 50 acres of Parks and Playgrounds.

Parking Lots -- Free municipal parking located downtown.

We, the people of the Village of Sebewaing, feel the time has come wherein we need to safeguard these capital investments and guarantee the continuance of the services currently provided.

Cityhood is necessary to prevent potential encroachment by other governmental units and to prevent the overbearing additional taxation from those units of government that do not provide necessary or additional services. The new City of Sebewaing would be responsible for property assessment and all elections (including voter registration) while eliminating the present Township mileage.

Cityhood would allow the citizens of the Village of Sebewaing to elect those who govern them directly. The citizens would only have to deal with one form of government, not two. They would no longer be subjected to constantly conflicting policies and attitudes. Previous attempts to enter into joint ventures with the Township such as a combined Village/Township hall, police protection and road repair have been rejected by the Township. The citizens would no longer be required to subsidize overlapping services between the Village of Sebewaing and the Township of Sebewaing.

We, the people of the Village of Sebewaing, hereby petition the State of Michigan to be allowed to hold the necessary election to become a City, to elect a Charter Commission, and revise our present Village Charter to a City Charter under the Home Rule Act.
